

Sinclair Broadcast Group's intent to sway the presidential election is unacceptable and unAmerican. Media consolidation is dangerous to our democracy. Free speech is undermined by the corporate grip on the media. Reporters are no longer investigating - they are influenced by their employers to peddle hype to increase profits.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Please do not allow these subversive actions to continue. Please hold media conglomerates accountable for their actions. Reform needs to happen quickly. No media monopoly!!
